

As an **Army Veteran** and retired **Law Enforcement Officer**, it is with absolute conviction and unwavering confidence that I offer this formal endorsement of Attorney Rae Canady for Las Vegas Municipal Court Judge in Department 1. She is a legal professional whose record, character, and impact set an unmistakable standard of excellence in our community.

Long before I met Rae Canady, her name was synonymous with integrity, competence, and fearless advocacy. Her reputation for delivering meaningful changes in the lives of others was well established. That reputation was only reinforced when I had the honor of moderating a judicial candidate panel in which she participated. During the event, Rae Canady distinguished herself through commanding clarity, decisive reasoning, and an unmistakable commitment to justice. Her responses reflected not only deep legal expertise, but a rare authenticity and moral courage essential for judicial leadership.

With more than twenty-six years of diverse and consequential professional experience, Rae Canady brings unmatched depth to her role as a civil litigator at Legal Aid Center of Southern Nevada. Her advocacy on behalf of children, some of the most vulnerable individuals in our legal system - demonstrates extraordinary dedication, compassion, and resolve. Her volunteer service in our community, including with the NAACP Legal Redress Committee, further cements her as a stalwart defender of civil rights, consistently stepping forward to confront inequity with clarity, purpose, and unwavering resolve.

Rae Canady's academic foundation in Psychology, Sociology, and Social Work, combined with her rigorous legal education at Marquette University Law School, has shaped her into a jurist with a powerful, multidimensional understanding of the communities she serves. She embodies fairness, not as an abstract principle, but as a daily practice. She will ensure that every individual before the court is treated with respect, dignity, and impartiality - traits that are indispensable for anyone entrusted with judicial authority.

It is my firm belief that Attorney Rae Canady will not simply serve the city of Las Vegas; she will elevate it. She demonstrates the intellect, temperament, and moral fortitude required of an exceptional judge. Her presence on the bench will enhance public trust, uphold the highest standards of justice, and bring continued distinction to the title "Your Honor" in every courtroom she enters.

For these reasons, and without hesitation, I extend my strongest endorsement of Rae Canady. Electing her is not simply beneficial - it is necessary for a more just and equitable future.
